

WE ARE LOOKING FOR NEW COLLEAGUES ON THE POSITION:

EE SPECIALIST / CAR TESTING

Location: Mladá Boleslav

Ref. 2018-015

In almost every car today there is at least a little of EDAG. We are an expert in complete vehicle development and optimization of manufacturing systems for the automotive industry. With more than 8,000 employees, at nearly 60 locations in 19 countries, we offer our customers a whole range of development services, above all, but not just in the automotive industry. EDAG is a company whose goal is to awake enthusiasm for technology from employees and customers.

We require:

- Secondary / postgraduate technical specialization best in mechanical engineering or electrical engineering
- Independence in planning the use of test cars
- MS Office
- General overview in the automotive environment
- General overview of vehicle equipment and functions
- Very good communication skills
- Knowledge of DE or EN for daily communication in an international environment
- Care, responsibility, reliability and independence
- Driving license group B (good driver)

We offer:

- Interesting work on pre-development to automotive production
- Possibility to realize your ideas and vision
- Friendly working environment
- Individual approach to each employee
- We emphasize the long-term development of your career
- Strengthening soft and hard skills
- Contract for an indefinite period
- Interesting financial evaluation
- Many financial benefits
- 13th and 14th salary according to the personal development of the employee
- Holidays up to 30 business days
- Admission possible immediately

Sounds interesting to YOU? Then do not hesitate to contact us on the above contacts!

We are looking forward to your structured curriculum vitae.
