

WE ARE LOOKING FOR NEW COLLEAGUES FOR POSITION:

MECHANICAL DESIGNER STRAK

Location: Mladá Boleslav

Ref. 2019-010

In almost every car today there is at least a little of EDAG. We are an expert in complete vehicle development and optimization of manufacturing systems for the automotive industry. With more than 8,000 employees, at nearly 60 locations in 19 countries, we offer our customers a whole range of development services, above all, but not just in the automotive industry. EDAG is a company whose goal is to awake enthusiasm for technology from employees and customers.

We require:

- Secondary / postgraduate technical specialization best in engineering
- Knowledge of ICEM Surf or Alias
- Knowledge of Catia
- Construction experience
- Knowledge of DE or EN for daily communication in an international environment
- General overview in the automotive environment
- Care and responsibility

Your tasks:

- Working in software for surface modeling and creating
- Completing your own models
- Data processing from design and construction departments
- Possibility to apply your interest in modeling

We offer:

- Interesting work from pre-development to automotive production
- An individual approach to each employee
- We emphasize the long-term development of your career
- Improvement of soft and hard skills
- Interesting financial valuation
- Many financial benefits
- 13th and 14th salary according to the personal development of the employee
- Holidays up to 30 business days

Are you interested? Then do not hesitate to contact us on the above contacts!
We look forward to your structured curriculum vitae.
