

WE ARE LOOKING FOR NEW COLLEAGUES FOR POSITIONS:

EE SPECIALIST - SOFTWARE SUPPORTING INNOVATION

Location: Mladá Boleslav

Ref.: 2019-019

In almost every car today, there is at least some EDAG. We are an expert in complete vehicle development and optimization of automotive manufacturing systems. With more than 8,000 employees, at nearly 60 locations in 19 countries, we offer our customers a range of development services primarily, but not just in the automotive industry. EDAG is a company whose goal is to excite technology and enthusiasm among employees and customers.

What should you have:

- creative thinking, ability to improvise in different situations
- programming knowledge (ability to design a technical solution and subsequent implementation)
- knowledge of at least one programming language (Java, HTML5, C ++, Python)
- knowledge of German or English for everyday communication in a international company
- carefulness, responsibility, reliability and independence
- high school / university degree in IT or engineering
- very good communication skills

Your duties:

- analyze and identify needs, communicate with contracting authorities
- programming PC and embedded applications, databases and operating systems, creating web pages
- keep documentation, work together to create manuals
- define hardware needs for the application and programs
- communicate with suppliers and assess proposed solutions

What you can look forward to:

- very interesting salary, 13th and 14th salary
- up to 30 days holiday
- employment contract of indefinite duration
- the possibility to realize your thoughts and ideas
- a friendly and individual approach
- wacky career development and much more

Did we raise your interest? Then do not hesitate to contact us! We look forward to your CV!
